

Mr. Andrew Wait, Principal

Mrs. Frincine Tait, Asst. Principal

March 6, 2020

Dear Cheatham Families:

I am pleased to announce that the district has selected a new Cheatham principal for the 2020-21 school year.

Ms. Kristi Pashley, current principal of Paseo Pointe School will be transferring to Cheatham beginning in July. Ms. Pashley is an experienced administrator and has been with the Laveen School District since 2009, when she started as an assistant principal at Trailside Point. She was principal of Vista del Sur Accelerated Academy for five years and has been at Paseo Pointe for the last four years. Ms. Pashley also has eight years' experience as a classroom teacher.

As mentioned in my previous letter, Mrs. Sandy Kennedy will continue to serve as Cheatham's principal through the end of this school year. Mrs. Tait will return next year to serve alongside Ms. Pashley as assistant principal.

Again, thank you for your support over the last few years.

Sincerely,

Mr. Andrew Wait, Principal
